Dear Patron,

I am truly honoured to welcome you to Mr Fogg's Gin Parlour! The proud home of one of the largest gin collections in the world. Spirited fortifications hailing from the humble juniper, have been brought back from all corners of the globe during my extravagant and far-reaching travels.

A perfectly tailored G&T can be made with a gin, tonic and botanicals, carefully curated for your taste buds. For the bold, allow my expert staff to introduce you to something new and exciting - they will be only too enthused to aid you on your gin quest.

Yearning for whiskey? My household staff can concoct a gin Old Fashioned for your delectation. A passion for rum? Let them surprise you with a gin Daiquiri! The goal is to please your palate.

Pip-pip and Godspeed!

Phileas J. Fogg. Esq.
