### NEW ORDER TO YOUR TABLE WITH HASTE!

Using extraordinary new-fangled science, friend of Phileas, Mr Nikola Tesla has created a tool by which you can make your order IMMEDIATELY!

Below we repeat his bizarre instructions verbatim:

Take your mobile telephone and open the camera app

Wave it in the direction of the Quick Response code

Our signature compounded libations are served with two three-inch sausage rolls or two three-inch vegan rolls. Please let the household staff know your preference.
