

PASSIONATE POTATIONS

As the years passed, Mrs Aouda Fogg decided to reignite her marriage with Phileas. She embarked on a journey of self-exploration and discovery, travelling through countries and continents in search of Mother Nature's very own aphrodisiacs.

Her quest was to create the ultimate selection of passionate potations. Now, it is our great pleasure to present her greatest discoveries to you. Couples, heed this warning: you may get more with the next sip than that for which you had bargained.
