THERE'S BEEN A MURDER!

Do you have what it takes to solve a crime? Phileas J. Fogg invites you to a thrilling Victorian Murder Mystery, taking place at his Mayfair Residence.

Amongst a magnificent backdrop of artefacts and antiques from around the world, get ready to test your detective skills and help Inspector Fix solve the crime in this truly immersive experience.

Tragedy strikes as John Sullivan, a close friend of Mr Fogg, collapses lifelessly during an evening of cards at the Mayfair Residence. His drink has been transformed into a cocktail of death by a cunning hand, casting suspicion across every guest in attendance. You'll have one hour to interrogate a room full of suspects, each hiding dark motives and concealed agendas.

Beware, for the culprit may be right under your nose, cunningly blending in with the shadows. Can you decipher the clues and unravel the truth behind this chilling crime? But tread carefully, for amidst the investigation, the suspects will tempt you with their tantalizing cocktails – each libation more tempting and deadly than the last.

Keep your wits sharp and your instincts keen, for not everything is as it seems in this twisted tale of deception and betrayal. As the clock ticks, the tension rises and the secrets that lie in this Victorian Mayfair Residence begin to unravel.
